Those wishing to submit material for publication in Geoscience Canada should refer to the Instructions to Authors on the journal’s website, www.geosciencecanada.ca

AUTHORS PLEASE NOTE:
Please use the web address http://journals.hil.unb.ca/index.php/GC/index for submissions; please do not submit articles directly to the editor.

The Mission of the Geological Association of Canada is to facilitate the scientific well-being and professional development of its members, the learned discussion of geoscience in Canada, and the advancement, dissemination and wise use of geosciences in public, professional and academic life. Articles in Geoscience Canada are freely available one year after their publication date, unless authors have arranged for immediate open access. Opinions expressed and interpretations presented are those of the authors and do not necessarily reflect those of the editors, publishers and other contributors. Your comments are welcome.
